

How To Post and Send a Video File

Video files can be too large to send through email or upload to a site, so here are two easy ways to upload your video and submit it to the Certification Team at WIDA.

Upload an Unlisted Youtube Video:

1. Go to www.youtube.com
2. Sign in or create a free account.
3. Once logged in to Youtube, select the “upload” button at the top of the main page.
4. Select the video file you want to upload and set privacy level to Unlisted*

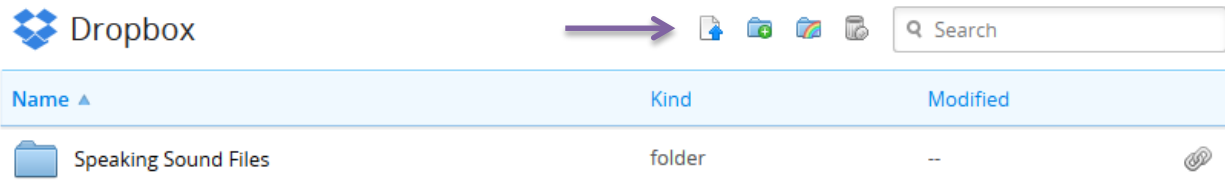

*unlisted videos are only available to viewers with a video link

5. Copy and send the youtube link in an email message or paste into a word doc to submit.

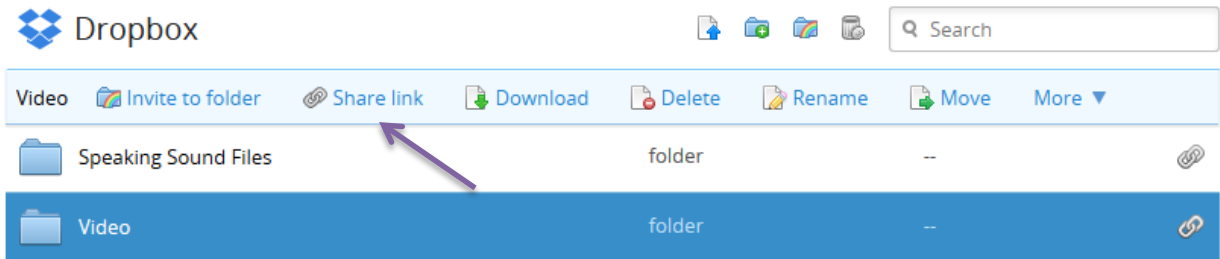

Upload Video to Dropbox

1. Go to www.dropbox.com
2. Sign in or create a free account

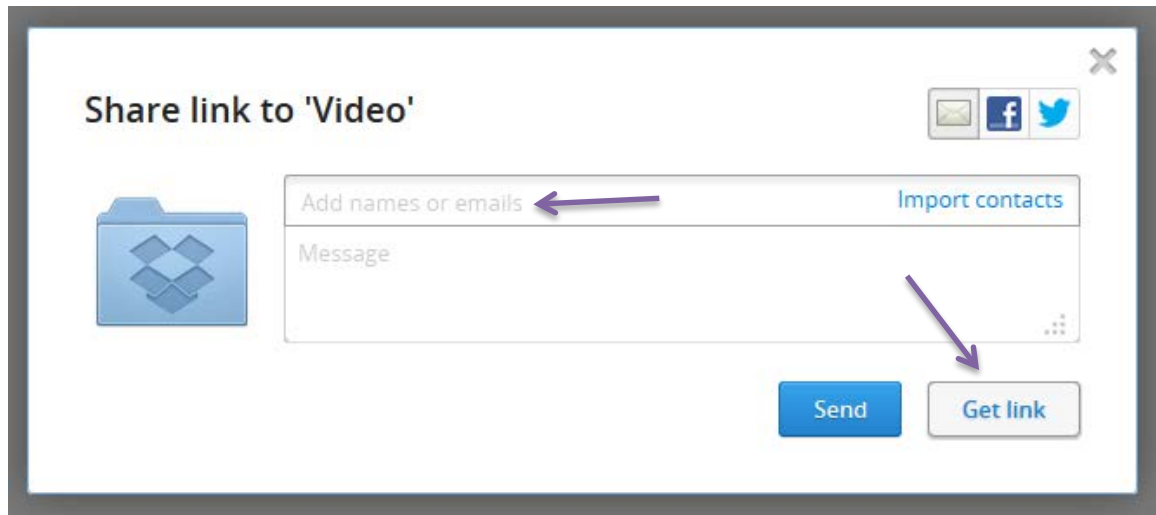

3. Upload video file by clicking the upload icon.

4. Once video is uploaded, send or share link to video by selecting file and clicking "Share Link"

5. Enter in an email address to share your video file, or click "get link" to copy a direct link to your file.

6. Hit send or copy link to dropbox file into an email message and send.
